*Gaurotes* (Carilia) *glabricollis* Holzschuh, 1993 was described based on a single female holotype from Sichuan Province, China. However, it is a primary junior homonym of *Gaurotes* (Neogaurotes) *glabricollis* Pu, 1992. Holzschuh (1998) proposed *Gaurotes* (Carilia) *glabratula* Holzschuh, 1998 as its replacement name. Three years later, Chiang (in Jiang & Chen, 2001) unnecessarily proposed *Gaurotes* (Carilia) *oligothrix* Chiang, 2001 as the replacement name for the same homonym. According to the fourth edition of International Code of Zoological Nomenclature (International Commission on Zoological Nomenclature, 1999), *Gaurotes* (Carilia) *glabratula* Holzschuh, 1998 has the priority, and *Gaurotes* (Carilia) *oligothrix* Chiang, 2001 becomes its junior objective synonym.

*Gaurotes* (Carilia) *glabratula* Holzschuh, 1998

*Gaurotes* (Carilia) *glabricollis* Holzschuh, 1993: 8. (Primary junior homonym of *Gaurotes* (Neogaurotes) *glabricollis* Pu, 1992: 592, 618).

*Gaurotes* (Carilia) *glabratula* Holzschuh, 1998: 6. (Replacement name for *Gaurotes* (Carilia) *glabricollis* Holzschuh, 1993).

*Gaurotes* (Carilia) *oligothrix* Chiang in Jiang & Chen, 2001: 77. (Unnecessary replacement name for *Gaurotes* (Carilia) *glabricollis* Holzschuh, 1993) New synonym.

Distribution. China (Sichuan).

## 寡毛金花天牛的新异名

**摘要** 奥地利天牛分类学家 Holzschuh (1993) 根据四川标本描述了 *Gaurotes* (Carilia) *glabricollis* Holzschuh, 1993。因该学名已被光胸金花天牛 *Gaurotes* (Neogaurotes) *glabricollis* Pu, 1992 占用, Holzschuh (1998) 为其拟定了替换学名 *Gaurotes* (Carilia) *glabratula* Holzschuh, 1998。后来, 蒋书楠、陈力 (2001) 也为这个异物同名拟定了一个不必要的替

**关键词** 光胸金花天牛, 寡毛金花天牛, 花天牛亚科, 天牛科, 新异名。

换学名寡毛金花天牛 *Gaurotes* (Carilia) *oligothrix* Chiang, 2001。根据《国际动物命名法规》(第4版), *Gaurotes* (Carilia) *glabratula* Holzschuh, 1998 享有优先权, 因此 *Gaurotes* (Carilia) *oligothrix* Chiang, 2001 成为客观次异名。
